Architectural Studies & Art History | Boston University

Boston, MA | (315) 882-9734 | ss0308@bu.edu | www.linkedin.com/in/selena-shenandoah-05a759343

EDUCATION

Boston University, College of Arts & Sciences, Boston, MA — Expected May 2027
B.A., Architectural Studies and Art History
QuestBridge Scholar

Boston University Venice Academy, Venice, Italy — Sep 2025 – Dec 2025
Studied architectural design, drawing, and urban form on site in Venice.

Relevant Coursework: Historic Preservation Theory, Experience Design, Architectural Site Design I & II, Drawing Venice, Drawing Through the Lens of Architecture, Understanding Architecture, American Cultural Landscape Studies, Urban Sociology

SKILLS

Rhino | AutoCAD | Adobe Photoshop & Illustrator | Physical Model Making (wood, plexiglass, cardboard) | Hand Drawing & Sketching | Microsoft Office | Google Workspace

DESIGN & ACADEMIC PROJECTS

Venice Exhibition Building | *Architectural Site Design, BU Venice Academy* — Fall 2025

- Designed a two-level exhibition space for an art school, translating the geometry of a Venetian gondola into a sweeping roof form.
- Built physical study models in wood, plexiglass, and cardboard, and produced a plan, section, and elevations in AutoCAD.

Art History Symposium: Turning Stone | *Museum of Fine Arts, Boston* — Spring 2026

- Presented research on Turning Stone, an Indigenous-owned casino resort in upstate New York, at an art history symposium held at the Museum of Fine Arts, Boston.

Snøhetta-Inspired Library Study | *Architectural Site Design II, Boston University* — Spring 2026

- Designed a public library across three scales (block, building, and room), developed from a precedent study of Snøhetta's integration of architecture and landscape.
- Produced a site plan, building section, and rendered interior collage, shaping curved forms to guide circulation and frame gathering spaces.

Grand Canal Drawing | *Drawing Venice, BU Venice Academy* — Fall 2025

- Created a 7 m × 2 m hand drawing of the Grand Canal in pen, marker, and acrylic, based on close study of Venetian facades; shown in the course's final exhibition.

LEADERSHIP

Delegate, Sustainability Greek Club, Boston University — Sep 2024 – May 2025

- Organized clothing swaps, recycling workshops, and cleanups to promote sustainable practices across Greek life.

INTERESTS

Sustainable design, urban planning, historic preservation, travel photography
